SUMMARY

Strategy partner who helps founders connect customer insight to GTM and operational priorities. Skilled at translating market signals into scalable growth programs across sales, product, and finance. Known for building repeatable growth playbooks in early and growth-stage environments.

EXPERIENCE

Founders Office Strategy | Tempo Labs

2023 - Present

- Created a new go-to-market readiness framework that reduced launch time by 30%.
- Synthesised customer research, marketing analytics, and field feedback for the CEO's weekly growth review.
- Coordinated strategic initiatives across Sales, Marketing, and Product leadership.

Senior Strategy Analyst | Mercury

2020 - 2023

- Built executive-ready market briefs and recommendation memos that shaped product investment choices.
- Worked with finance to model revenue scenarios for new SMB and mid-market segments.
- Managed strategic vendor partnerships to support international expansion plans.
