SUMMARY

Founders Office leader with 7+ years driving strategic initiatives at high-growth startups. Expert at partnering with founders to align GTM, operations, and investor communications. Track record of leading cross-functional programs that accelerated revenue and scaled leadership processes.

EXPERIENCE

Founders Office Lead | PilotAI

2022 - Present

- Partnered with the CEO and CFO on quarterly growth strategy, contributing to a 3x pipeline increase.
- Built the executive operating cadence across GTM, product, finance, and people teams.
- Owned investor deck updates and board preparation for 12 board meetings.
- Launched a cross-functional OKR framework adopted by 5 teams, improving alignment and execution velocity.

Strategy & Operations Manager | Bolt Health

2019 - 2022

- Designed go-to-market playbooks for the enterprise sales team, increasing win rate 18%.
- Developed pricing scenario models and presented recommendations to the executive team.
- Led a 10-person launch squad to enter two new verticals within 6 months.

Business Operations Analyst | Dropbox

2017 - 2019

- Owned metrics tracking dashboards for customer success and revenue operations.
- Coordinated planning for company-wide growth experiments and post-mortems.
